Continuation Sheet (PTO-303) 009/534,939

Continuation of 2. NOTE: All of the amendments raise new issues that would have to be thoroughly considered in order to determine if the amendments constitute new matter, and all of the amendments would otherwise require undue further consideration and/or search.

Continuation of 5. does NOT place the application in condition for allowance because: The request for reconsideration is directed to the unentered amendment, and on cursory consideration, the request for reconsideration does not otherwise appear to overcome the rejections.
